Accreditation No: ML 007

Awarded to

Chughtais Lahore Lab (CLL), Jail Road, Lahore, Pakistan.

The scope of accreditation is in accordance with the standard specifications outlined in the following page(s) of this document. The accredited scope shall be visible and legible in areas such as customer service, sample-receiving section etc and shall not mislead its users.

The accreditation was first time granted on 18-01-2013 by Pakistan National Accreditation Council.

The laboratory complies with the requirements of ISO 15189:2012.

The accreditation requires regular surveillance, and is valid until 17-01-2019.

The decision of accreditation made by Pakistan National Accreditation Council implies that the organization has been found to fulfill the requirements for accreditation within the scope.

The organization however, itself is responsible for the results of performed measurements/tests.
